COMMERCE & TRANSPORT DEPARTMENT

NOTIFICATION

The 17th September, 2025

No.11521─TRN-POL-RT-0002/2024/T.─ Road safety remains a paramount concern for India and Odisha. Despite numerous measures implemented by the Government, the number of challans issued for motor vehicle law violations has not yet reduced to desired levels, highlighting ongoing challenges in ensuring compliance and safety on our roads.

To enhance enforcement and facilitate compliance, electronic challans are being issued by the enforcement staff of the Transport Department and the police, including automatic challans generated through the Intelligent Enforcement Management System (IEMS). However, it has been observed that a significant number of pending challans remain unresolved across various levels.

With a view to provide an opportunity to such violators to settle their disputes by paying fines at a reduced amount as at ***Annexure*** at the earliest and to provide an opportunity to rectify the driving behaviour in future, Government have been pleased to announce a "One Time Settlement Scheme" for the pending e-challans as on the dated 31st July, 2025. The Challans in respect of which Prosecution Reports (PR) has been submitted to designated Courts will not come under the purview of the Scheme.

The above benefit is one time and will be available for a period of six months only from the date of issue of the Notification relating to one time settlement.

The above scheme offers a facilitating and firm approach for encouraging compliance, with the reduction in fines applicable under the Motor Vehicle Act.

The objectives of this scheme are to recover outstanding fines efficiently and to promote road safety by encouraging violators to adopt safer driving habits. It is important to note that this is a limited opportunity; as the violators can pay at a reduced amount, whereas after expiry of the validity of the scheme's, the violators will pay as prescribed in the M.V. Act. Further, various transactions would not be allowed as per the M.V. Act for these vehicles with pending challans.

The Transport Department will oversee the implementation of this scheme and will intensify enforcement measures against repeat offenders and individuals unwilling to improve their road safety behaviour. The Department is committed to strict enforcement of all provisions of the Motor Vehicles Act to enhance road safety.

By Order of the Governor
USHA PADHEE
Principal Secretary to Government

Annexure

Quantum of fines on pending e-challans to be collected after exemption

Sl. No.	Section of MV Act	Offences	Amount of penalty prescribed under MV Act	Amount to be paid by the defaulters after exemption
